

Employee Benefits Overview

We understand the importance of people to an organization. Our advisors offer consulting services to help business attract and retain quality employees. Through our process we help employers compare and evaluate employee benefit programs by:

- Developing complete cost and market analysis
- Review of fee structure on existing plan
- Communication and education of existing benefits

Retirement Plans

We provide services to pension, retirement, and profit sharing plans and to the sponsors of such retirement plans. These services include assisting retirement plans or their sponsors in obtaining vendors for the administration and/or investment of plan assets, initial review of plan investments, and education and enrollment meetings for plan participants.

Group Insurance Plans

We provide consulting services to help businesses evaluate their benefit programs. Through our independent process we work with employers to review group medical, dental, vision, etc. insurance coverage. Our objective is to help employers find suitable group insurance plans that are innovative in design, cost cutting, provide the coverage you need to retain and attract quality employees.
