The Centennial Group Leads Operation Santa for 2011

Lansing, MI December 20th, 2011 — It's that time of year when Operation Santa takes hold of the hearts of those at The Centennial Group. Each year our staff takes the lead and makes sure that children, who are placed in foster care after the State cutoff date for presents, will be merry and bright on Christmas Morning! Many employees participated, especially Dawn Brink & Kristen Martin who were in charge of Operation Santa 2011 for our firm!

This event is held annually each year and is an opportunity for our firm to give back to the community during the holiday season. This event is coordinated by Marcie Durso and is designed to provide children with a fun holiday experience. The response to this event was overwhelming and presents poured in to make Christmas bright for children who needed it. The Centennial Group's commitment to community involvement is a core principle of our organization.
