

# Community Involvement

## Makuta Primary School Botswana, South Africa

The Makuta Primary School educates and houses 225 students including approximately 20 Needy Students and 20 Orphans.

There are 10 Teachers and an additional 10 staff members.  
Students range in age from 5-14.

We are partnering with a MSU team who will be travelling this summer to work with these kids on Life Skill Development and will put on a sports camp for them.

Interested in helping? We are specifically looking for:

- Notebooks, Pens, Pencils, Crayons, Colored Pencils, Staplers
- New or Used books for children ages 5-14

Makuta Primary School provides a future for the children who live and learn at this facility!
